

April 1, 2009

Mr. Stephen G. Riley
U.S. Representative
U.S./Canada Joint Certification Office
Defense Logistics Information Service
Federal Center, 74 Washington Ave., North
Battle Creek, MI USA 49017-3084

Dear Riley,

Per the enclosed supporting documents we have been advised that a company by the name Kino Bay Inc., out of Whittier (Los Angeles) California has been exporting a counterfeit version of our product FPE Fuel Performance Enhancer starting in February 2008 and provided to them by Iris Industries Inc. of Hamilton New Jersey a company also registered and certified by your facility.

Certification Number 0048369 expiring November 15, 2002 and under Cage Code 02VP0 is also being used by Kino Bay Inc. on their website <http://www.bestfpe.com> to promote this counterfeit product.

Please be advised that should there be any product with the name FPE Fuel Performance Enhancer being distributed to any US or Canadian Government Agency by either Kino Bay Inc. of Whittier (Los Angeles) California, or Iris Industries or Borinquen Chemicals Inc. of Hamilton New Jersey, or by the persons Yong Kim President of Kino Bay Inc., or Olga Acevedo President and owner of Iris Industries, Inc. and Borinquen Chemicals Inc. that this is a counterfeit product, as is all marketing material being used for same.

Mr. Jim Caldwell with the U.S. Environmental Protection Agency has been advised of this issue, as has T.S.I. N Bonner of the Dallas Office of the Federal Bureau of Investigation (FBI) as well Customs and Homeland Security Departments.

Should you have any questions concerning this matter please feel free to contact me at 800-795-2420 Ext. 1

Respectfully Yours,
